

**'STILL SERIES' PURIFICATION SYSTEM BY  
STUDIO FORMAFANTASMA FOR LOBMEYR**

Resembling an alchemist's tools, this collection for Austrian glass specialist Lobmeyr includes engraved crystal and copper vessels that, when combined with activated charcoal, naturally purify drinking water. It's sure to inspire conversation at the dinner table. >

From £92 for a tumbler (£3,819 as pictured), Vessel Gallery ([vesselgallery.com](http://vesselgallery.com))
